

Client Testimonials:

"Catamount Carpet Cleaning went out of their way to accommodate us into their schedule on short notice. Thank you!"

Clifford Rey, Williamsville, VT

"We were pleased from the get-go. Phoning for the appointment—scheduling—workmanship—your newsletter—everything! You're special to talk to and helpful AND do an excellent job! Thank you!"

Claire Kretschmer, South Londonderry, VT

"The bitterness of poor quality remains long after the sweetness of low price is forgotten."

Wood Floor Refinishing Packages by Catamount Carpet Cleaning, Inc.

Platinum

Complete Pre-Inspection

Pre-Vacuuming using an environmental safe Hepa filtered vacuum

Furniture is moved to ensure that all of the floor is cleaned

Wood floor cleaner is lightly sprayed on the floor, one small section at a time

Rotational floor scrubbing to loosen embedded soil

Wood floor cleaner is lightly sprayed once again

Suspended soil is removed with a wood floor applicator

Any remaining soil is removed with a rotary floor machine and Micro-Fiber Bonnett

Floor is allowed to dry and buffed with a rotary machine and a white polishing pad to bring back the shine of the finish

Final dust-mopping of the floor & post inspection

Polyurethane re-finish is applied with a lambs wool applicator to Enhance Floor Shine

Second coat of polyurethane re-finish is applied as needed in heavily worn areas

The next day we will return and apply two additional coats of polyurethane re-finish*

Floor is allowed to dry and buffed with a rotary machine and a white polishing pad to bring back the shine of the finish

Final dust-mopping of the floor & post inspection

Furniture is replaced in its original location

Free 'Wood Floor Care Kit' (\$24.00 value)

Restorative clean and polyurethane re-finish: \$_____

Limited time special offer: \$_____

Unlimited maintenance clean and refresher finish: \$_____
